MINUTES

The Minutes of the 2011 Annual General Meeting, held on April 24 2012, having been circulated to the members prior to the meeting, were tabled and taken as read. It was moved by Gloria Gallagher and seconded by Jim Evans that they be accepted as an accurate record of the meeting. All members agreed.

ANNUAL REPORT

The Annual Report was tabled and read by the Executive Officer Barbara Davis. Sr Pauline Compton and Sr Elaine Cochrane were encouraged to speak about the different Sisters in each area as their areas were mentioned, especially South Sudan where Sr Pauline has just visited. She commented in particular on the lack of infrastructure there.

The Executive Officer's Report made mention of the changes in procedure leading to being accepted as a full member of ACFID, to be validated in November at the ACFID Council. These included production of policies for:

- Child Protection
- Complaints Handling
- Governance
- Anti-Fraud, Bribery and Anti-Corruption
- Conflict of Interest
- Discrimination and Harassment
- Fundraising
- Occupational Health and Safety
- Privacy
- Developmental and Non-Developmental

It also mentioned changes to application and acquittal forms to comply with ACFID's Code of Conduct.

FINANCIAL REPORT

Mr Jim Evans, a Chartered Accountant and our Honorary Auditor, tabled the Financial Report.

He noted that income had decreased a little from the previous year. Jim thanked and congratulated Barbara on her clear bookkeeping. Mr O'Dea responded by voicing appreciation to both Barbara and to Jim for their authentication of the finances.

The motion was moved by Jim Evans and seconded by Michael O'Dea that the Financial Statements be signed as an accurate record of the position of the Overseas Aid Fund. The motion was accepted by all present.

Michael commented on the vicarious pleasure received from helping in some small way the needy in our world. He expressed gratitude that there were young sisters coming through in some areas of the world, especially Africa and the Pacific Islands. He said that they wouldn't be there if it weren't for the OLSH Sisters being there first.

Michael expressed appreciation again for the work over the years as treasurer of Bill Barry and Barbara was asked to contact his widow Joyce.

APPOINTMENT OF OFFICE BEARERS

The following were nominated and accepted appointment as Office Bearers:

Mr Michael O'Dea:	President
Sr Jenny Kirby:	Vice President and Secretary
Mr Jim Evans:	Honorary Auditor
Josephine Heesh:	Treasurer

OTHER BUSINESS

- o Michael O'Dea expressed the need for the OLSH Overseas Aid Constitution to be updated as a matter of urgency.
- o Michael expressed disappointment at the lack of response from OLSH College Bentleigh to feature OLSH Overseas Aid more fully in their Alumnae magazine Flame.
- o Michael spoke of his attempt to organize a lunch for the largest of our donors, and their lack of interest in the idea, not wanting a fuss.
- o It was decided that the largest donors for the year would again be sent a copy of the Annual General Report, except the ones who had asked not to be sent one.
- o Sr Pauline thought that copies of KIT could be left in parishes. This led to a discussion of the difficulty of persuading parish priests to agree to one of the Sisters speaking at their masses. Jim Evans mentioned that his Parish Priest Fr Kelvin at Miranda is open to the idea of having an OLSH Mission Sister speak at his masses. Sr Lorraine Cleary was identified as being available and suitable. Gloria mentioned the importance of highlighting how people in many countries live; eg children depending on being fed at school, and their hunger during holiday periods.
- o It was noted how much demand there is on people to donate to many different charities, but that an event is an effective way of raising a lot of money. There was a discussion about the need to find younger people to commit to fundraising for the Fund as current members are getting older. Jo mentioned that people in their thirties and forties often have different priorities. Both Michael and Pauline committed to asking family members if they would be interested in organizing an event.
- o Michael has expressed a goal for 2013—to break the \$800 000 barrier in fundraising.

Michael O'Dea thanked everyone for their attendance and closed the meeting at 7pm. Members were invited to refreshments which followed.

The main thrust of the work of the Fund continues to be in education, health care, and social and community development. From time to time we are asked to respond to other needs but these are temporary and directed to providing only urgent, short-term aid. Our support for education, health care and development are normally on a continuing, long-term basis.

Since the establishment of the Fund it has been our consistent objective to encourage and promote self-help programs which aim to improve people's general standard of living and help establish for the local people a life-style more worthy of their human dignity. We continue to espouse the following goals:

- provision of a basic standard of living
- care of children and the elderly
- empowerment of women and other vulnerable groups
- elimination of hunger through sustainable agricultural development
- encouragement of individual and communal self-help projects

In this way we aim to create a greater solidarity with and empowerment of the local people by the sharing of our resources for their betterment and ultimate self-sufficiency.

One of the 2013 projects was the construction of a piggery to be run by the youth in Rabi, Fiji.
