Dear Associates,

Another new year! How the time flies and Lent is upon us again. I thought you might like to reflect on this gentle poem of Hafiz (a Persian Poet 1320-1389, translation rendered by Daniel Ladinsky), who wrote many beautiful and ecstatic love songs from God to his beloved world. Perhaps the following might sound a chord in your heart as you live this Lent 2020.

### SO YOU CAN PLANT MORE WHEAT

*I would like to remove some rocks from your field  
so that you can plant more wheat.*

*And those hills I see that are part of you,  
I have some trees in mind for them  
and flowering grasses, so that you won't erode  
when the elements pour.*

*Are we not lovers? Cannot I speak to you like this?*

*Do I need to ask your permission to hitch up my ox  
and sing to him as I improve your vast terrain?*

*The title to your heart came to my office.  
In looking at it a great interest in your soul developed.  
The care of your soul became mine.*

*So I would like to remove some stones from your meadows;  
then an orchard you could grow,  
and the world, and the world then,  
will come to taste your riches.*

St Ignatius of Antioch, anticipating his death in the Colosseum, wrote to his flock  
:in 107 AD:

*“I am the wheat of God and am ground by the teeth of the wild beasts,  
that I may be found the pure bread of Christ.”*

Pope Francis has written us a Lenten Message which you can find if you google  
“Pope Francis 2020 Lenten Message”. He concludes his challenge with these  
words:

*Dear friends, Lent is the favourable season  
for renewing our encounter with Christ,  
living in his word, in the sacraments and in our neighbour.  
The Lord, who overcame the deceptions of the tempter  
during the forty days in the desert, shows us the path we must take.*

*May the Holy Spirit lead us on a true journey of conversion,  
so that we can rediscover the gift of God's word,  
be purified of the sin that blinds us,  
and serve Christ present in our brothers and sisters in need.*

*I encourage all the faithful to express this spiritual renewal also  
by sharing in the Lenten Campaigns promoted by  
many Church organizations in different parts of the world,  
and thus, to favour the culture of encounter in our one human family.*

*Let us pray for one another so that, by sharing in the victory of Christ,  
we may open our doors to the weak and poor.*

*Then we will be able to experience and share to the full the joy of Easter.*

So, there is some good advice from Pope Francis and from Hafiz.

We are called to conversion every day of our Christian lives, but Lent gives us  
a special opportunity to attend to this personal work of rooting out those parts  
of us that throw shadows across our sight and prevent us from responding to  
the touch of God. Let us give Him free reign in the field of our soul so that we  
can grow more wheat and more lovingly be His Heart in our  
world.

United in the tender love of the Heart of Jesus, with Mary

## **112<sup>th</sup> Anniversary of the Death of Mother Marie Louise Hartzler**

On 22<sup>nd</sup> February we celebrated this special day and our Provincial, Sr Philippa Murphy, wrote the following to us:

*Dear Sisters, Associates and our OLSH Partners in Mission,*

*We each have our own experiences of being inspired by Marie Louise Hartzler's words and her life. To help us commemorate the 112<sup>th</sup> death anniversary of Mother Marie Louise Hartzler, I have invited members of our wider 'OLSH Family' to share how Marie Louise Hartzler has inspired them. I thank Srs Ruth and Wendy, Ellenmary, Melinda and Grace, Mia and Maxine for their heartfelt sharing.*

*May Marie Louise Hartzler, who led our Congregation with deep love, faith and courage continue to inspire us. With Our Lady of the Sacred Heart, may we say 'yes' to the ways we are being challenged to be the "Heart of God on Earth" in the ordinary situations of our daily life.*

### **Marie Louise Hartzler: Her Courage and Her Faith**

***From Ellenmary Loman OLSH Associate***

For Marie Louise Hartzler, life in nineteenth century Europe was challenging. In a letter, Marie Louise described herself as one who was dragging herself along in the way that God had planned for her. She wished to walk with courage. Despite the suffering and grief in her personal life, the distress of war and the discrimination of an anti-clerical government, Marie Louise walked with courage. She followed her calling to be on earth the Heart of God, sustained by her deep faith and trust in God and her prayerful relationship with Mary, the mother of Jesus.

Life in the twenty-first century can be challenging, and at times, overwhelming, too. We pray that the courage and deep faith of Marie Louise Hartzler inspire us to be courageous and faithful as we, too, desire to be on earth the Heart of God in our time.

## **Marie Louise Hartzler: Her Commitment and Faith**

*From Sr Wendy Violet Missionary in South Sudan*

Mother Marie Louise was a woman of deep faith, commitment and devotion to all that being a Daughter of Our Lady of the Sacred Heart entailed. She showed these attributes especially in her love and concern for all her sisters and in her attitude to all she loved and for whom she was responsible.

I particularly love her commitment to keeping in touch with the sisters near and those who were far on foreign missions. Offering them her motherly comfort, advice, support and even correction when necessary. She was as a real mother! When I read her letters today the things, she said are still relevant for me in my living as a Daughter on mission. I'm deeply grateful to Mother Marie Louise Hartzler for her example of how to be a true Daughter of Our Lady of Sacred Heart. May we follow in her footsteps.

## **Marie Louise Hartzler: Her Humility and Compassion**

*From Mrs Melinda Miletich staff member OLSH College Kensington*

What was most inspiring about the life of Marie Louise Hartzler was the humility and compassion with which she conducted herself. These are the very qualities that a good leader needs today.

Throughout her life she was confronted by great tragedy and challenges. She met every one of these challenges with a strength and determination which meant that she was often the 'rock' upon whom everyone depended. We can see this as a young woman caring for her sick mother and sister. We also see it in the fortitude she showed nursing her dying husband and again as a widow when she had to flee with her young sons, mother and sister from the German bombardment during the Franco Prussian war. I believe it was these very qualities of compassion, humility and fortitude, that Jules Chevalier recognised, realising that she would make an ideal 'Mother' for the fledgling DOLSH community. As he predicted, she was able to guide them with wisdom and compassion during this foundation period of the order, which had been a very dangerous era for the religious in France.

Like Jules Chevalier, Marie Louise Hartzler had lived her life walking humbly in the footsteps of Jesus. It is no surprise when we look at her life that she was inspired to lead an order which extolled the compassionate heart of Jesus.

## **Marie Louise Hartzler: Her Courage, Compassion, Resilience and Bravery**

**From Grace Wingate, Mia Jones and Maxine Viado**

**(Yr 11 Students OLSH College Bentleigh)**

Marie Louise Hartzler is a true inspiration to us as young women. Her leadership embodied courage and compassion, and this inspires us to become leaders that are not afraid to try new things and to be a person that puts others before ourselves. Sister Marie Louise Hartzler was a resilient woman, even in the face of hardship and trials. Her resilience can inspire us all to be persevering in all aspects of our own lives and to be hopeful even in the face of doubt.

Her faith is also evident in her bravery in approaching challenges. As young women of heart, her faith guides us in our efforts to spread God's love and remain faith-filled during the challenges in our own lives."

## **Marie Louise Hartzler: Her Faith and Her Understanding**

**From Sr Ruth Yuburn Philippine Region**

I have always been inspired by Mother Marie Louise's faith, courage and life of prayer, her love and gratitude to Our Lady, which made her a sincere, loving and understanding Daughter of Our Lady of the Sacred Heart. Her faith, nurtured in prayer, enabled her to be courageous even in desperate situations and to still have confidence in the goodness and protection of God. Considering all that is going on in our broken world, let us not loose heart but find inspiration in Mother Marie Louise Hartzler who went through a lot in life yet remained steadfast in trusting God.

*"Abandon yourself to all that the Heart of Jesus asks of you. Allow yourself to be led blindly by him and you will arrive safely at the end of your journey."*

***Marie Louise Hartzler***

## **2020:THE YEAR OF ST MATTHEW'S GOSPEL**

The Second Vatican Council ordered a change in the Sunday readings at Mass so that Catholics would become more familiar with Scripture. Now we have a three-year cycle so that in Year A, which is 2020, we listen to the Gospel of Matthew, Year B, 2021, it will be St Mark and Year C, 2022, will be St. Luke. The start of a new liturgical year begins with the First Sunday in Advent which also marks the change from one cycle to the next. This year, on every Ordinary Sunday (and there are 33 of them), we will be hearing the Gospel of St Matthew. One of the main reasons that Matthew wrote this gospel was to create a community of Christians:

*“... born of Judaism’s faith and history of longing and of Jesus’ humanity and divinity in the Incarnation and Resurrection that exploded from within every piece of revelation once given, exploding out into the world and past the foundations of convention and of the usual interpretations. This book is called “The Book of Mercy” because mercy is the ink, the paper, the background, the words and the meaning, in and through and under everything. Everything that Jesus says and does, His very presence and His coming upon earth, is Mercy.”*

*(Megan McKenna, Matthew, The Book of Mercy, New City Press, New York, 22002, P 13)*

As we travel along our pilgrim path this year with Matthew’s Sunday’s Gospel in Ordinary Time, may we grow in mercy, the mercy of Jesus’ Heart, so that we will more truly be His Heart on earth.

## **OLSH NEWS**

### **New Provincial and Leadership team**

On Monday January 20<sup>th</sup> our Sisters gathered in the Kensington Chapel to thank Sr Tess Ward for her loving and generous leadership of the Province during the past three years. We then welcomed our new Provincial, Sr Philippa Murphy and her new Leadership Team. I thank Sr Anne Gardiner for her account of what happened on that memorable occasion.

“On Monday afternoon as we gathered together as OLSH Family for the “*Call to Leadership at the Service of Unity*” Ceremony, I thought “Lord it is good for us to be here”.

Standing side by side we began the Ceremony with our traditional hymn to Our Lady of the Sacred Heart. Choosing this hymn to Our Lady always evokes memories of the past. For we all realise the truth in the saying “there can be no future without a past”.

Words from our Constitutions followed. There were three readings all reminding us of the love of Jesus for each one.

The readings were followed by the meaningful action by Tess in anointing the hands of Philippa as she begins her term as Provincial. We all then welcomed Philippa as our new leader, assuring her of our love, support and prayer. As we extended our hands in blessing over Philippa we prayed; “May the Lord grant you the audacity of Deborah and the courage of Esther and Judith. May God fill you with joy as God did Anna, and with loyalty and faithful love, as God did Ruth. May you be able to sing and dance for joy near the sea as Miriam the prophetess, and with Mary of Nazareth, proclaim the greatness of the Lord, with the hungry and humble ones”.

Philippa then thanked Tess for her three years of service to our Province. Candles, with the flames glowing strongly, were lit by Philippa and she handed one to each Provincial Councillor. We recited the Memorare and then, to end our Ceremony, the words of a “*Fire on the Earth*” rang out.

## **GENERAL CHAPTER OF THE DAUGHTERS OF OUR LADY OF THE SACRED HEART**

**Rome March 2<sup>nd</sup> – 23<sup>rd</sup>, 2020.**

**The Theme: *“Together, being missionaries of hope in a new world emerging ...”***

This theme was inspired by Father Chevalier’s words which are so full of hope:

*“From the Heart of the incarnate Word, pierced on Calvary,  
I see a new world emerging, the world of those he has chosen.  
And this creation, so fertile, full of grandeur and inspired by love and mercy,  
is the Church, the mystical body of Christ,  
which makes this new creation present on earth  
until the end of time.*

*(Jules Chevalier msc, 1900 Sacré Coeur, 145f)*

The Chapter logo also flows from these words. As missionaries of hope, we bring that message of love from the pierced side of Jesus, not just to some but to all – to the whole world. The red blood with a heart shape symbolizes a message of love represented by the presence of the Holy Spirit who will bring that love to everyone’s life as well as enkindle the world with love.

Please join us in prayer as the 32 delegates from Africa, Australia, Belgium, Brazil, France, Indonesia, Ireland, Italy, Kiribati, Netherlands, Papua New Guinea together with the 6 members from the Generalate, pray, reflect , discuss and make decisions about how our Congregation may be the Heart of Jesus in the world of our time.

*Lord Jesus, may Yours be the inspiring voice behind their reflections  
and the energising source of all their decisions.  
Reveal to them new paths for mission  
and inflame their hearts and give them new vision.  
With Mary, Our Lady of the Sacred Heart, and St Joseph,  
with Fr Jules Chevalier and Mother Marie Louise Hartzler,  
we pray to You in joy and expectation  
truly believing in the sublimity of our mission of making your  
Sacred Heart loved everywhere and forever! Amen.*

## **LAITY OF THE CHEVALIER FAMILY NEWS**

### **Report – International Council of the Laity of the Chevalier Family**

I am very pleased to send you this report from the International Council which summarises our work since our last report on the Feast of the Sacred Heart. Please find below a list of the issues we have been working on:

### **Preparation for our face-to-face meeting in Rome – 16<sup>th</sup> – 20<sup>th</sup> December**

The members of the Council have worked very hard to plan and prepare for our meeting in Rome. We will arrive on 15<sup>th</sup> December from our various countries to begin meeting on the 16<sup>th</sup>. The first day will be spent preparing for our meeting the next day with the General Councils of the MSC, FDNCS and MSC sisters. At that meeting, we will each present a Report of our regions and will discuss our Vision as a Council and the tasks we need to undertake to complete that vision. We will also discuss how the members of the General Councils can support us and you as they undertake their visitations. We will have a Retreat day, facilitated by Fr Hans on our call to holiness as laity of the Chevalier Family. The final day will be a Council meeting where we have a long list of Agenda items including the next International Gathering, the next Newsletter, accurate maintenance of the Data Base, our progress towards financial autonomy and JPIC issues. We are very fortunate to have secured tickets to a Papal audience in St Peter's square. We will pray for you in that holy place.

### **Preliminary planning for the next International Gathering**

We are working closely with Deborah Mellijor and her team from the Philippines to begin to plan for the next Gathering of Laity in 2023. While we are in Rome, we will begin to discuss matters such as the exact dates of the gathering, the venue and the number of participants. Together with the Filipino laity we will begin to explore suitable themes from which the programme of the meeting can flow.

### **Updating and maintenance of the Data Base**

As a Council, we recognise the importance of communication amongst the whole family. We are in the process of updating the Data Base and looking for systems so we can maintain it as an accurate means of communication. Our hope is that those who lead in each country will also have an accurate Data Base to send on information from the Council. We will be very grateful for your help in this matter. We will also discuss the possibility of a Closed Facebook page and a Website as alternate communication possibilities.

### **The first Newsletter – Encounter of Hearts**

We spent considerable time in the months leading up to the Feast of the Sacred Heart collecting reports and photographs from as many groups as we could. Thank you to those who replied and to those who were not represented – we will produce another Newsletter in the next couple of years, so watch for the

requests that will come through for information. Our intention was to produce a Newsletter using simple technology that everybody, especially our laity in remote places, could access through printed form or email.

The production of the Newsletter was a collaborative process – mostly through unpaid, voluntary contributions from many people and the Council is very grateful to everybody who contributed to the success of the Newsletter. There are some spare printed copies if anybody would like those and we can still email the first edition to you if you would like a copy.

### **The Next Report**

We will send out a detailed Report of our meeting in Rome with the Easter communication. In the meantime, may the love in the Heart of Christ continue to shine through each one of you.

*Fr Hans, Alison, Doris and Rita.*

## A NOBLE MAN – A MAN OF HEART

### For your reflection

Here is part of a poem, which was translated from Chinese, written by Doctor Francis Yuen, a Christian, who first identified the Corona Virus (COVID-39) in Wuhan, but subsequently died of it. His pregnant wife has now contacted the virus. Doctor Yuen was badly treated for making the threat public.

*“I don’t want to be a hero. I still have my parents, and my children, and my pregnant wife who is about to give birth, and many of the patients in the ward. Though my integrity cannot be exchanged for the goodness of others, despite my loss and confusion, I should proceed anyway.*

*Who let me choose this country and this family? How many grievances do I have? When this battle is over, I will look up to the sky with tears like rain.”*

*“I don’t want to be a hero. But as a doctor, I just cannot see this unknown virus hurting my peers and so many innocent people. Though they are dying they are always looking at me with their eyes with their hope of life.”*

*“Who would have ever realised that I was going to die? My soul is in heaven looking at the white bed on which lies my own body, with the same familiar face. Where are my parents? And my dear wife, the lady I once had a hard time chasing?”*

*“I am already gone. I see them taking my body, putting it into a bag, with many compatriots gone like me, being pushed into the fire in the hearth at dawn.”*

*“Goodbye, my dear ones. Farewell Wuhan, my hometown. Hopefully after the disaster you’ll remember someone who once tried to let you know the truth as soon as possible. Hopefully, after the disaster, you’ll learn what it means to be righteous. No more good people should suffer from endless fear, and helpless sadness.”*

*“I have fought the good fight. I have finished the race. I have kept the faith. Now there is in store for me a crown of righteousness” (2 Timothy 4:7, Holy Bible).*

*God bless. Francis Yuen*

There are so many modern-day saints!

### **STAMPS! STAMPS! STAMPS! STAMPS!**

Many thanks to all those who have answered the call for stamps. We still need thousands more. It takes 12,500 stamps (more or less!) to make 2 and a half kilos. We need 10 kilos before we can go to auction. Leave them on the paper – don’t soak them off. Thank you very much.

## MEETING REPORTS

**ALICE SPRINGS:** On Saturday 11<sup>th</sup> October we celebrated with a Mass the unveiling of the Missionaries of the Sacred Heart and the Daughters of Our Lady of the Sacred Heart Memorial Window. It was a very special occasion, marking 90 years of the OLSH and MSC presence in Central Australia. We were delighted to have Sr Tess Ward, Sr Margaret Reis, Sr Carmel Smith, Sr Mary Stevens and of course, our own local Sr Kathleen Leahy, with us for the celebration. Kathleen Kemarre Wallace, the artist, explained the meaning of the symbols used in her artwork. Bishop Charles, Fr Chris McPhee, MSC and SVD priests concelebrated the Mass. Sr Tess and Fr Chris addressed us sharing the history and mission of the OLSH and MSC in “the Centre”.

The Golden Jubilee Mass of the opening of our OLSH Church took place on October 13<sup>th</sup> and was concelebrated by Bishop Charles and the local clergy. Representatives of families and business who had a major role in the building of the Church were presented with copies of the new Memorial Window. As well as our own community involvement and attendance, many past parishioners came back to Alice Springs to share in this special time.

In November we had our usual end-of-the-year luncheon and were joined by Fathers Alex and Gideon. Sr Kathleen gave us each an Advent booklet that she has prepared.

On Dec 15<sup>th</sup> we farewelled Fr Raass. The Aboriginal Community took a large part in the Mass and presented Father with a copy of the new Window. Kathleen Wallace blessed him with the spirit of dancing – the spirit of the traditional dancing line on which the church is built. She prayed that the spirit would be in his heart and life as he leaves and begins his new work. Various cultures within the Parish were involved in the Mass.

Our next meeting will be in February.

**Paula Thornton**

**BENTLEIGH:** 17 Associates met at the Convent on 30<sup>th</sup> November and Sr Elaine recounted the last couple of month’s events including the Meeting of the laity of the Chevalier Family which gave us encouragement as Associates. We were also reminded of our recent retreat, “*Seeking and Finding God in the Ordinary*”. As Advent was about to commence, we discussed among ourselves what Advent means to us. It enables us to take time out to look at the wonder of God becoming human so that he can enter intimately into every aspect of our

lives. This coming year we will be reading St Matthew's Gospel in which we see Jesus revealed as the fulfillment of the prophecies of old and the Messiah who had long been awaited. We then had Adoration in the Chapel, followed by a special afternoon tea and a sing-along led by Sr Robyn. Our next meeting is on 29<sup>th</sup> February.

**Patricia Mirabile**

**CALLALA:** Callala Associates were blessed with a Mass to end 2019. Fr Patrick from Nowra has been a faithful friend to our group every year. He appreciates the importance of the Associates in the Parish and has travelled with them when they have lost their spouses. We have not been able to meet yet in 2020 but hopefully we will get together in March to reflect on the bushfires that were experienced in our area

**Sr Merrilyn Lee**

**CANBERRA:** The Canberra Associates met at St Matthew's Church, Page, on 2<sup>nd</sup> November. Catherine Bird led our reflection on Sunday's Gospel (Lk 19:1-10). Sinner or not, Zacchaeus declares a policy of generosity: half of his wealth will go to the poor and anyone defrauded will receive compensation four-fold. Zacchaeus' hospitality to Jesus, while a great joy for him, soon becomes a problem for everyone else. Catherine's reflection points were:

1. Come to Jesus with humility.
2. The more you give the more you will receive.
3. Jesus came to call us to discipleship.
4. Jesus came to reconcile.
5. We should not judge because we only see the outside, not what is on the inside.
6. Leave the burdens of everyday to Jesus.
7. God longs for us to let Him in.

Our very small group had a good discussion and talk about this Gospel story.

**Christine Casey**

**CORINDA:** Our tradition has been for many years to gather at Shirley's home for our annual Christmas Party and 2019 was no different. We thank Shirley for all the effort of having 15 Associates present, as well as the OLSH Sisters who joined us. A thunderstorm was close by at arrival time and a few of us became wet, but that was a most welcome rainfall after such a dry winter and spring. Our meeting commenced with each of us lighting a candle around the statue of Our Lady of the Sacred Heart. Sr Rita spoke about Mary's journey to Bethlehem to give birth to Jesus, and how difficult it must have been going mostly on foot! Sr Rita then asked us to recall any events around the birth of our own children.

There was a sad story told and memories came flooding back. We then sang a lovely hymn, "*We're Waiting for Jesus like Mary*".

Doreen recalled her and Aileen's visit to Kensington Convent in Sydney during September, at the time of the Sisters' Provincial Chapter. They were glad to be able to visit Sisters Eleanor and Pat at St Joseph's while there. On the day they joined the Sisters at the Provincial Chapter they were inspired greatly by the testimonies of the eight lay people who spoke of what it meant to them to share the charism of Jules Chevalier. They also spoke of a lady staying at the Convent who shared and inspired them with her faith journey. We then shared news about Associates who had sick family members and for whom we continue to pray.

Sr Rita gave us each an MSC 2020 Calendar and we set our meeting dates for next year. As our project we decided to send donations to Sr Bernadette to give to the Overseas Aid Fund project most in need.

The meeting concluded with our favourite hymn, *Woman of the Sacred Heart*, by Brother James Maher msc. We could hear the heavy raindrops outside but that made us sing even louder! We were so grateful for the rain. Our meeting concluded and then it was time for the Christmas feast. What a spread was laid out! With our friendships renewed we then said goodbyes with deep gratitude for Shirley's hospitality.

**Mary McMahan**

Our first meeting for 2020 was held on Sunday 2<sup>nd</sup> February. We had a great roll-up of 12 Associates and 2 aspirants. Sr Rita Clancy welcomed us and gave us some information about the General Chapter to be held in Rome in March. Sr Rita give us some information about some of the delegates from the other OLSH Provinces around the world.

After reading the Gospel for the Feast of the Presentation of the Lord (today's feast day) we considered the role of Mary in the story. In accordance with Jewish custom, Jesus was presented by his parents, Mary and Joseph. This was an ordinary event for people, but Simeon and Anna both recognized Jesus as the long-awaited Messiah, and addressed Mary, His mother, in a patriarchal society this was unusual. Did Mary carry the burden of the knowledge Her Son's divine nature?

November 9<sup>th</sup>: We began our meeting with a prayerful reflection, remembering those who fought and died in war May their sacrifice never be forgotten How did she feel about Simeon's prophecy? We agreed that Mary gave us a great example of trust. This led to a wonderful sharing of personal experiences of times when we have felt the presence of God in our lives.

In the chapel, after a period of reflection we lit candles remembering Christ shining His light into our world, thanking the Father for the years we have lived, and offering our unknown years to come.

We prayed for the sick, those in need of prayer and for those who have died especially Caroline McCarthy and her husband Bill (brother-in-law of our associate Doreen). Caroline died after a long illness and Bill died unexpectedly late on the same day. May they now be in God's loving embrace.

**Mary McMahon**

**ELMORE:** We gathered on January 9<sup>th</sup> and Father Caldwell (PP) celebrated Mass in the beautifully prepared OLSH Convent Chapel. (Thank you Sr Shirley and Sr Lee). An Anointing of the Sick and Exposition of the Blessed Sacrament followed. Before we prayed the Rosary, we were asked to remember all those affected by the bush fires and all the Emergency Fire Personnel. A luncheon followed and we enjoyed hearing about all the happenings over Christmas.

**Irene Nihill**

**ENFIELD:** As 2019 drew to a close we met in November, again enjoying Ellen Mary's hospitality. We looked at how Jesus might be calling us to transformation. Sr Pat Irvin used the passage from St Luke's Gospel where the blind man confidently called to Jesus, "Son of David, have mercy on me". He persisted against the wishes of the crowd. The blind man's faith brought him sight. Can we be like Jesus putting the poor first and not be swayed by the "popular crowd"?

Sr Pat invited us to reflect on our year as Associates:

- What has being an Associate meant for us?
- What have we gained or learnt from each other?

(Personally, I would like to say that for me our meetings provide a spiritual oasis in the busyness of daily life, a chance to catch my breath).

- Looking ahead how can we put Jules Chevalier's charism into action?

We looked towards 2020 believing in God's love for us all. God is love. When we take up residence in a life of love, we live in God and God lives in us. (cf 1 John 4:16)

**Margaret Baker**

**HARTZER PARK:** We met on Sunday 16<sup>th</sup> February and began our meeting with a reflection on “*Giving and Receiving*”- a prayerful looking back over the past year and forward to the new year that has started. The words of our Commitment Prayer were recalled and in our On-Going Formation time we looked at Heart Spirituality and Scripture. Before the conclusion we were invited to comment. The focus on compassion, tolerance and the “theology of tenderness”, as spoken of by Pope Francis, were some of the points considered.

**Jan Clark**

**NOTRE DAME (Kensington):**

We began our November meeting with a prayerful reflection, remembering those who fought and died in war: may their sacrifice never be forgotten, and may we continue to cherish the freedom for which they fought and died. We included in our prayer time the beautiful hymn written by Megan Donohue, *Beneath the Cross*. During this time, we prayed also for the Holy Souls, and we mentioned especially with love, those close to us who are now enjoying heaven and being in the presence of God.

We had a very interesting sharing about Purgatory. One thought that we go straight to heaven. Another thought it is a place where the dark corners of our lives are illuminated by God, and another quoted from the book of Maccabees, “It is a holy and wholesome thought to pray for the dead ...”, meaning the dead are in need of our prayers.

Our focus then turned to the Feast of Christ the King, celebrated on the last Sunday of the Church’s Liturgical Year. We are followers of a crucified King. Jesus showed compassion even when He was dying on the Cross. There is an attraction in Jesus that only those who are open can see, to be able to recognize that He is the way to salvation. The “Good Thief” is one of the many examples of those who were able to recognize Jesus. We are people who are trying to follow Jesus as our King, Saviour and Salvation.

We then shared afternoon tea with the Sisters

**Maureen Maher**

On Saturday 14<sup>th</sup> December 33 Sydney Associates met at the Convent for the Christmas Get-Together. After a beautiful reflection on the Christmas story we enjoyed the company of each other and the Sisters at a festive afternoon tea. Instead of exchanging Kris Kringle’s we had a collection for the Australian National Council of the Chevalier Laity and were able to send off \$700 to help this new Council begin its work. Thank you to all who contributed so generously.

**Maureen Maher**

Our first meeting for 2020 was on Feb 8<sup>th</sup>, the feast of St Josephine Bakhita – the Patron Saint of Sudan and Trafficked People. She was sold to brutal masters when she was 9 years old. Subsequently, after many painful experiences, she became a Catholic and a “free daughter of God”. She became a Canossian Sister and lived her

religious consecration in generous service of others, particularly the poor and marginalized. She was canonized in 2000.

Our attention then turned to the readings for 5<sup>th</sup> Sunday in Ordinary Time. Judith Carroll had prepared for us a very informative reflection on being the salt of the earth and a light to the world. Salt was very important to the people of Jesus’ time and He used its symbolism to highlight the necessity of staying close to Him so as not to lose our ‘flavour’ by being distracted by the lure of money, power, status. Our focus then turned to being a “light in the world”. Disciples who are salt and light do not draw attention to themselves but to God. We are informed about and concerned with social structures, justice and poverty in our society. Christ asks us to recognise and act compassionately towards those in need who cross the paths of our ordinary lives every day. The kind word or deed that comforts and encourages can be a lifesaver for someone in pain. We pray for the grace to overcome our difficulties in being salt and light in our broken world.

We then shared afternoon tea with the Sisters.
